On behalf of the Hamel Athletic Club and all the Athletes and Parents, thank you sponsors for your support. Our program would not be as successful without your dedication.

About Little League

Little League Baseball, Incorporated is a non-profit organization whose mission is to "to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball and Softball."

Through proper guidance and exemplary leadership, the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball and Softball program is designed to develop superior citizens rather than superior athletes.

Player Reminders

Hey players, remember the essentials before the big game. Always have your helmet, cleats, gray pants, bat, protective cup, and water bottle. This helps you be the best athlete that you can be!!

Player Tips

As a player know the game situation. Ask yourself before every pitch. If the ball comes to me what will I do? How many outs are there? What is the smart play for this time of the game? Forget about the last play you made, the next play you will need to make is now more important. Be ready.

Letter from the President

Welcome to the 2010 Baseball season. On behalf of the Hamel Athletic Club and Hamel Little League Boards, I would like thank all of you who have decided to support or program this year. I think this will be a great year with our inauguration into Little League, and the initial year for the new Field House. Because of our program's size this year parking will be a bit more crowded than it has been in the past. Because of the increased traffic, I ask that we all be careful to watch for our kids as they scramble to join their friends on the fields. To our coaches, coordinators, board members, and sponsors, I want you all to know that without you this baseball program would not be possible. Through your gifts of time and support the kids will have a life time memory. Finally the time to play ball has arrived, I hope you all have great seasons. I look forward to seeing you at the games.
